

Payment Process for Online Reservations

You'll notice that PayPal will, throughout the process, encourage you to use a PayPal account to make your payment. However, you can also pay with a debit or credit card by following these steps:

1. Click on the "Make a Reservation" icon at the bottom of the member dashboard.
2. Enter your name in the "Attendee" box.
3. On the "Checkout Options" page, sign in as a member.
4. In the cart, select "PayPal Checkout." We currently do not have a Venmo account.
5. Select "Pay with Debit or Credit Card."
6. On the "Check Out as a Guest" page, enter your email and continue to payment.
7. The next page will give you the option to log into your PayPal account or "Continue as a guest." Choose the latter option to pay with your debit or credit card.
8. On the "PayPal Guest Checkout Page," you'll enter your card information and then select "Continue."
9. The next page will ask you to confirm your payment, then you will receive your order number.
